

ENDLESS WAKE ADVENTURES

WHY A BOAT CLUB Membership

COULD BE A FIT FOR YOU

1 LOWER INITIAL INVESTMENT:
Joining a boat club typically requires a lower upfront financial commitment compared to buying a boat, which can be a significant expense. Owning a boat involves purchasing the vessel, insurance, maintenance, and storage costs, which can add up quickly.

7 REDUCED HASSLE:
Owning a boat comes with numerous responsibilities, from maintenance and repairs to winterization and cleaning. Boat club members can enjoy boating without the hassle of these tasks.

2 NO ONGOING MAINTENANCE COSTS:
Boat clubs typically take care of maintenance, repairs, and cleaning of their boats. When you own a boat, you are responsible for these costs and tasks, which can be time-consuming and expensive.

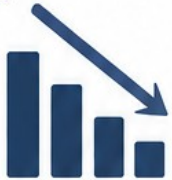

8 FLEXIBILITY:
Boat clubs often offer flexible scheduling options, allowing members to reserve boats for specific days and times. This flexibility can make it easier to fit boating into your schedule.

3 VARIETY OF BOATS:
Boat clubs often offer a variety of boats, from fishing boats to saliboon boats and luxury yachts. This variety allows members to choose the type of boat that suits their specific needs for each outing, without being limited to one boat.

9 NO DEPRECIATION CONCERNS:
Boat ownership often involves dealing with the depreciation of the boat's value. When you're part of a boat club, you don't need to worry about the financial depreciation of the boat.

4 ACCESS TO QUALITY BOATS:
Many boat clubs provide access to well-maintained, newer, and high-quality boats. This can ensure a more reliable and enjoyable boating experience compared to owning an older or less-maintained boat.

10 SOCIAL ASPECT:
Many boat clubs organize events, outings, and social gatherings, allowing members to connect with like-minded boating enthusiasts and build a sense of community.

5 NO STORAGE OR DOCKING HASSLES:
Boat storage and docking fees can be substantial, and finding a suitable place to keep your boat can be challenging. With a boat club, you don't need to worry about storage or docking.

11 TRY BEFORE YOU BUY:
Joining a boat club can be a great way to try out boating before committing to boat ownership. It can help you determine whether boating is the right lifestyle for you.

6 INSURANCE INCLUDED:
Boat clubs typically include insurance coverage for their boats, so members don't have to worry about obtaining and paying for boat insurance separately.
